## **\*\*PRESS RELEASE\*\***

It is with deep regret that National Association for Primary Education report that one of the founders of this organisation, John Coe, has passed away.

John was a great thinker about education and was renowned for his capacity to speak truth to power and a belief in the inordinate value of primary and early years education. He will be greatly missed by all who knew him.

**Peter Cansell** is the Information Officer. All media enquires can be made by contacting him directly at [petercansell@gmail.com](mailto:petercansell@gmail.com) or 01865 421135
